ITEMS BELOW APPLY TO AND BECOME A PART OF TERMS AND CONDITIONS OF THE PURCHASE
ANY EXCEPTIONS THERETO MUST BE IN WRITING

The following are the terms and conditions for Texas A&M AgriLife Research, Texas A&M AgriLife Extension Service, and Texas A&M Veterinary Medical Diagnostic Laboratory (TVMDL), hereafter referred to as the Agency.

1. VENDOR REQUIREMENTS

- 1.1 Vendors must comply with all rules, regulations and statutes relating to purchasing in the State of Texas in addition to the requirements of this form.
- 1.2 Pricing must be quoted on a "per unit" basis, extended as indicated. Any trade discounts included must be itemized and deducted from extended prices. Unit Prices shall govern in the event of extension errors. Vendor guarantees product or service offered will meet or exceed specifications included.
- 1.3 Purchases should be "F.O.B. destination, freight prepaid and allowed". However, if vendor quoted freight otherwise, then face of order should show exact delivery cost and who bears cost if not included in unit price.
- 1.4 Prices are firm for within 30 days of the offer. Cash discounts were not considered in determining the best value. All cash discounts will be taken if earned.
- 1.5 Purchases made for the Agency's use are exempt from the State Sales tax and Federal Excise tax. Excise Tax Exemption Certificate will be furnished by the Agency upon request.
- 1.6 The Agency reserves the right to accept or reject all or any part of any offer, waive minor technicalities and issue the purchase order to the vendor that best serves the interests of the State. Any contract may also be extended up to three (3) months at the sole discretion of the Agency.
- 1.7 Consistent and continued tie offers could cause rejection of offers by the Agency and/or investigation for antitrust violations.

2. SPECIFICATIONS

- 2.1 Any catalogue, brand name, or manufacturer's reference used is descriptive only (not restrictive), and is used to indicate type and quality desired. Therefore, offers of brands of like nature and quality were considered unless otherwise specified. Vendor will be required to furnish brand names, numbers, etc., as specified on the purchase order unless noted otherwise at time of offer.
- 2.2 All items shall be new and unused, in first class condition, including containers suitable for shipment and storage, unless otherwise indicated.
- 2.3 All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC or NEMA.
- 2.4 The Agency will not be bound by any oral statement or representation contrary to the terms and conditions of this purchase.
- 2.5 Manufacturer's standard warranty shall apply unless otherwise stated.

3. DELIVERY

- 3.1 Order delivery time as shown on the face of the purchase order reflects the number of days required to place material in receiving agency's designated location under normal conditions. Failure of vendor to state delivery time obligates supplier to complete delivery in 14 calendar days.
- 3.2 If delay is foreseen, supplier shall give written notice to the Agency. The Agency has the right to extend delivery date if reasons appear valid. If the supplier fails to deliver these supplies by the promised delivery date or a reasonable time thereafter, without giving acceptable reasons for delay, or if supplies are rejected for failure to meet specifications, the Agency reserves the right to purchase specified supplies elsewhere, and charge the full increase in price, cost of handling, and rebidding, if any, to the vendor.
- 3.3 No substitutions or cancellation permitted without written approval of the Texas A&M AgriLife Purchasing Department.
- 3.4 Delivery shall be made during normal working hours only, unless prior approval for late delivery has been obtained from the Agency.

4. INSPECTION AND TESTS

All goods will be subject to inspection and test by the Agency to the extent practicable at all times and places. Authorized Agency personnel shall have access to any supplier's place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted or on samples taken from regular shipment. In the event products tested fail to meet or exceed all conditions and requirements of the specifications, the cost of the sample used and the cost of the testing shall be borne by the supplier. Goods which have been delivered and rejected in whole or in part may, at the Agency's option, be returned to the supplier or held for disposition at supplier's risk and expense. Latent defects may result in revocation of acceptance.

5. AWARD OF CONTRACT

A response to an Invitation for Bid is an offer to contract with the Agency based upon the terms, conditions, and specifications contained herein. Offers do not become contracts until they are accepted and an authorized purchase order is issued. The contract shall be governed, construed, and interpreted under the laws of the State of Texas.

6. PAYMENT

Supplier shall submit one copy of an itemized invoice showing order number and agency purchase order number. Please note: If the invoice is not addressed as instructed, payment will be delayed. The Agency will incur no penalty for late payment if payment is made in 30 or fewer days from receipt of goods or services on an uncontested invoice. All payments will be made in accordance with the Texas Prompt Payment Act, Texas Government Code, Chapter 2251.

7. PATENTS OR COPYRIGHTS

The supplier agrees to protect the Agency from claims involving infringement of patents or copyrights.

8. SUPPLIER ASSIGNMENTS

Supplier hereby assigns to purchaser any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States 15 U.S.C.A. Section 1, et seq. (1973), and which arise under the antitrust laws of the State of Texas, Texas Business and Commerce Code Ann. Sec. 15.01, et seq. (1967).

- 9.5 The vendor had not received compensation for participation in the preparation of the specifications for order.
- 9.6 The supplier shall defend, indemnify, and hold harmless the State of Texas, all of its officers, agents and employees from and against all claims, actions, suits, demands, proceedings costs, damages, and liabilities, from any acts or omissions of supplier or any agent, employee, subcontractor, or supplier of supplier in the execution or performance of this purchase order.
