

# How to Extend the Use of TVMDL Branded Boxes

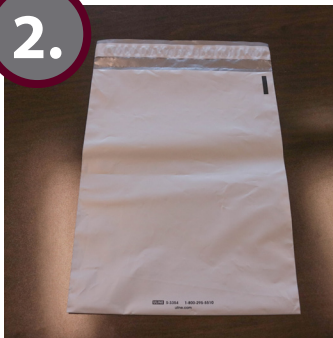

Each TVMDL-branded box comes with a complimentary Shipping Pak. TVMDL encourages clients to follow the instructions below to extend the use of TVMDL boxes. This practice is as easy as 1, 2, 3!

1.

Pack your TVMDL box. Be sure to use a specimen bag, bubble wrap, and absorbent material to ensure a safe transit.

2.

Place your shipping label on the Shipping Pak.

3.

Insert your TVMDL box into the Shipping Pak and seal it. Your specimen is ready to be shipped!
